

**ROWERS:
Personal Fundraising Opportunity For Your Crew Dues**

Rent-a-Rower Program Explanation
Winter Park Crew
Crew Boosters of Winter Park (501c3 non-profit)

Rent-a-Rower is a way for you to earn money for your dues and travel expenses for Crew. Jobs are solicited through friends, family members and referrals*. The pay rate is typically \$8 to \$12.50 per hour, although per day or job rates may be negotiated. We ask customers to pay by check to Crew Boosters so the money goes to your dues, and shows up as a credit on your dues invoice.

This is a great opportunity to meet people, gain work experience, learn new skills, obtain college and work references, help pay your own way, and possibly land a consistent and/or summer job!

Your only obligation by signing up is to perform work that you agree to, when it is available and offered to you, in a safe and courteous manner.

Name: _____

Rower Signature and Date: _____

Primary Phone #: _____

Second Phone (parent) #: _____

Email: _____

Type of work you can do: _____

The Program's volunteer coordinator is Mr. Andrew Lawn. My cell is 407-810-2949, home phone is 407-898-8958 and email is Alawn@HSWEng.com. Rowers and Customers are encouraged to contact me directly.

* Rowers and their families are requested to advertise this program; job opportunities will be preferentially directed to rowers of families who obtain customers for the program.
